Greetings SFANA,

I have a copy of the Regional Budget for home groups to distribute today. I have also submitted a motion for home groups to vote on next month. Please remember that the Carolina Region Service Office is fully self supporting with literature sales. The sales account for most of the budget. Carolina Region Service Committee, like our ASC, is not self supporting. Donations across NC and SC are way down.

There has been some progress on the Carolina Regions insurance policy for all the meetings. Hopefully, there will be an announcement soon with more information.

The approval copy of the long awaited book, *Living Clean- The Journey Continues* is available at the na.org website and at the CRSO. If anyone has any announcements, comments, questions or concerns they'd like discussed at the July CRSC in Fort Mill, please let me know.

In grateful service,
Angela B., RCM

| Dear SFANA | | | |
| I would like to thank my H+I for allowing me to be of service in this area... H+I has been trying to get more support from the area for quite a while now... This past month we had two more presentations that were missed. This looks very bad on H+I end NA as a whole... Due to this we have decided to drop drop the presentation that is done at the KM Hospital on Thursday nights effective immediately. | | | |
